EXIT 16 ROUNDABOUT

Early next week, the contractor will be installing a sewer service on Mountain Road. Traffic may be restricted to alternating one-way. In the middle of the week, they will begin to install new drainage in the vicinity of the Mobile gas station. Traffic will be delayed and lanes reduced to alternating one way on East Side Drive.

KIMBALL POOL RIBBON CUTTING CEREMONY

The Public Properties Division of the General Services Department has been renovating the pool at Kimball Park since last summer and now it's time for the grand unveiling. A ribbon cutting ceremony with Mayor Jim Bouley and Councilor Jennifer Kretovic will be held on **Thursday, June 15th**, at **5:30 PM**, to celebrate the new renovations. Following the ceremony, the Parks & Recreation Department will hold a pool re-opening until 7:30 PM. Concord and Penacook residents must bring ID for free entry. The pool will close after the event until the official pool season starts on Saturday, June 17th. Last year, Public Properties renovated Guyette Pool at Rolfe Park to increase safety, enhance accessibility, and improve appeal. Kimball Pool is the second stage of a multi-year commitment to upgrade all of the City's community pools. Come see the new Kimball Pool on June 15th.

EVERETT ARENA ROLLER SKATING

Beginning tonight, roller skating will be held at Everett Arena on Fridays and Sundays through July 30th. Public skate on Fridays is from 6:00 PM to 8:00 PM, and on Sundays from 5:00 PM to 7:00 PM. Adult skate (ages 18+) will be held on Fridays from 8:15 PM to 10:15 PM, and on Sundays from 7:15 PM to 9:15 PM. Admission is only \$5.00. Bring your own skates or rent skates at the pro shop (quads only) for an additional \$5.00.

BEAVER MEADOW GOLF COURSE NEWS

Over Memorial Day Weekend, Beaver Meadow Golf Course hosted the 17th Annual Chet Wheeler Red, White & Blue Tournament, with a great field of 70 players. The three day event featured a unique format where all players play from the three different teeing grounds. Day one is the longest course (Blue); day two is the member course (White), and the final day is the shortest course (Red). It is the most popular event of the year for our members and playing public. The tournament is named after long-time Pro Chet Wheeler who is also a veteran.

This past Saturday, Beaver Meadow hosted a fantastic team from Nippo Lake Country Club. This was the first match of the PGA Junior League season. Twenty-six kids competed in the kid friendly format, and both teams played great. Thanks to all the players and spectators for their sportsmanship. Our next match is on Sunday, June 11th, at 4:00 PM, versus Derbyfield Country Club. Come support our future golfers!

CONSTRUCTION AROUND THE CITY

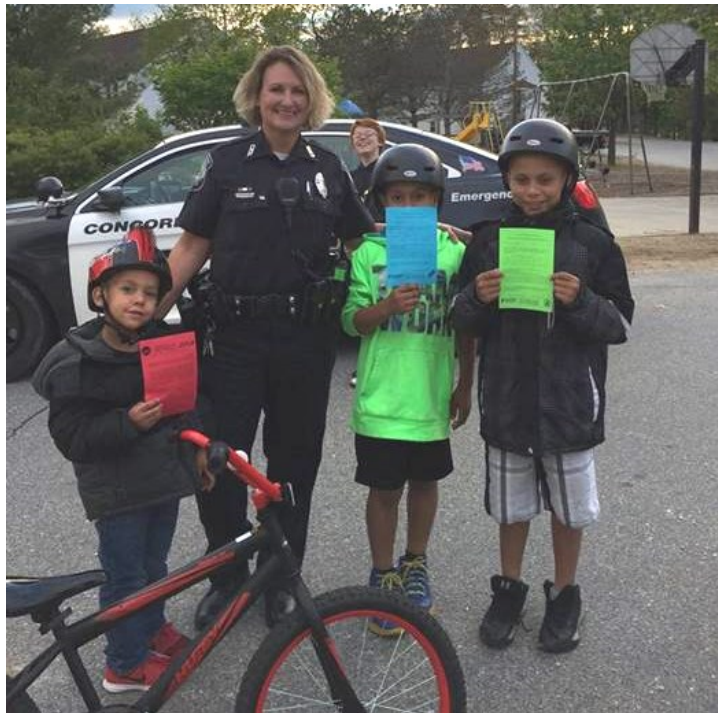

Liberty Utilities will be working at the following locations next week:

- Adams Street, from Norwich to Springfield Street;
- Albin Street, from Bradley to Rumford Street;
- Bradley Street, from Church to Walker Street;
- Central Avenue at Warren Street;
- Downing Street, from South Street to Redwood Avenue;
- Highland Street, from Rumford to Bradley Street;
- Langdon Avenue, from S. Main Street to end;
- Martin Street, from Albin to Walker Street;
- Norwich Street, from Adams Street to #31;
- Pleasant Street, from Liberty to N. Spring Street;
- South Main Street, from Langdon Avenue to Maitland Street;
- Trinity Street, from Norwich Street to end.

In addition, the contractor for the Red Arrow Diner project will continue to perform curb, sidewalk, and driveway work in front of 110-116 Loudon Road. Work is expected to take place on Monday and Tuesday between 7:00 AM and 5:00 PM (weather permitting). Construction will result in delays and the closure of one of the two eastbound lanes during work hours.

CONCORD PD—KEEPING KIDS SAFE

The Concord Police will be on the lookout this spring and summer for those kids that are practicing bike safety. The Concord Police has partnered with Domino's Pizza, Constantly Pizza, Sal's Pizza, and the Brain Injury Association of NH in an effort to "Keep Kids Safe". All three pizza establishments have donated pizza certificates to be given out to kids practicing bike safety, which would include wearing a helmet, walking their bikes across busy intersections, and following the rules of the road.

EQUIPMENT SERVICES EMPLOYEE TRAINING

Staff of the Equipment Services Division has been very busy attending various fleet trainings. In early May, staff completed Pierce Command Zone II & III (fire truck monitoring and control systems) Operation and Diagnostic training at the Marston Mills Fire Headquarters in Massachusetts. The class included fire service technicians from all around New England, New Jersey, and New York.

In addition, staff and Fleet Manager Brian Levesque attended the New England American Public Water Works Association's Mechanics Workshop to learn about new battery technology, the latest fleet oil requirements, and CDL license information. In April, staff met all qualifications and became recertified for brake inspections. Staff will continue training this summer with Fisher Plow System Training, which will assist technicians with electronics, hydraulics, and failure diagnostics to return plows back into service quicker. Continued employee education training provides innovative alternative practices, increases performance efficiency, and improves overall operations.
